GSENM-

We were asked to draft a comm plan for the release of the NOI for the new land use plan under a very short turnaround. We were specifically asked to include Q&As about interim management, even though we would not normally do so for an NOI.

Can you please help fill out the contact lists for tribes, NGOs, local government, etc. and also draft text for any highlighted placeholders. We are requesting this information as soon as possible. Please also point out any factual errors in the document so that we can correct them.

As I understand it, the NOI is at the WO/DOI level pending finalization of language for the Federal Register Notice. We have not been asked to provide briefing materials, as the NOI is expected to be fast-tracked. We do need a comprehensive comm plan for the roll-out of the NOI, which could happen very soon.

Thank you- and apologies for the short notice.
